9. Read Mudgere Amildar's report No. 1541, dated 23rd June 1896, to the effect that the amount sanctioned from District Funds for converting a descending well into a drawing well at Gonibid may be appropriated for sinking another well at Mudgere since the people of Gonibid are not in favor of the former work.

As the amount referred to by the Amildar has already lapsed, it was resolved that the subject of sinking another well at Mudgere, which is a new work, will be considered at the next budget meeting when funds become available.

The well-work at Gonibid may be struck off the register.

10. On conveying the resolution of the Board, held in April last, regarding the pay of the bangalo watcher at Sringeri, the jahgir Amildar reports in his Itilla No. 7, dated 7th July 1896, that the matt authorities have no objection to the levy of prescribed fees in the said bangalo.

Resolved that the Amildar be ordered to see that the fees are collected in the bangalo at Sringeri and the same credited to District Funds, as the pay of the watcher attached to the bangalo is met from the said funds.

11. Read statements showing the total allotment, expenditure and the sum allowed to lapse during the year 1895-96 in several taluks of the district under District Funds and Local Funds General.

Recorded with the observation that the progress in Chikmagalur taluk during the year was very poor.

12. Read also detailed lists showing the appropriations required for several works executed from District Funds and Local Funds General to complete them during 1896-97.

Resolved that these lists be submitted to Government in the prescribed form, by means of separate communications, soliciting fresh grant from Local Funds General for the incomplete works under that head; and proposing that the amount required for District Fund works (incomplete) may be met from the closing balance of the budget for 1896-97.

13. The President proposed the election of two non-official members of the Board for the ensuing Mysore Representative Assembly.

Messrs. Gundappa (Pleader) and Kuppusami Pille were elected by the Board as members.

14. Read Civil Surgeon's docket No. 108, dated 21st July 1896, for the supply of an operating table to the Local Fund dispensary at Birur.

Resolved that a table be purchased on obtaining the sanction of Government and the cost thereof be met from Rs. 120 provided for furniture to dispensaries in the current year's budget.

15. Proposed by the Amildar of Koppa taluk that the pakka building now for sale at Sollebail may be purchased by the Board for Rs. 1,000 for the purpose of a musafirkhana, since the present building used as such is a thatched one which is in very bad repair and uninhabitable during the rains.

Resolved that a building of this description at Sollebail is absolutely necessary and as the Executive Engineer knows the building and considers it cheap for the price offered, Government sanction be obtained to purchase the same.
